ELKS' FAIR AND CARNIVAL

Important Business Meeting Was Held Last Night.

All the committees of the Hopkinsville Elks' Fair and Carnival met last night in the offices of Mr. John Feland.

Reports filed showed thoroughly satisfactory progress in every direction.

The event promises to be the biggest show of the sort ever given in Southern Kentucky. It has been well advertised and thousands of visitors will be here. The fair begins Sept. 25 and continues five days.

FIFTEEN THOUSAND FARM.

Keatts Brothers Purchase The Kendrick Tract, Near Lafayette.

Messrs. C. M. and W. T. Keatts have purchased what is known as the Kendrick farm, about three miles east of Lafayette, and full possession will be given Jan. 1. The price paid was \$15,000. There are 700 acres 500 of which are cleared and the rest is in good timber. About 200 acres of the farm is meadow, lying along the banks of Green Tree Grove creek.

The whole place is well improved and the farm is one among the best in that section. A portion of the land is situated in Christian county and some of it lies in Montgomery county, Tenn., adjoining the Keatts homestead.

Keatts brothers will sow 400 acres of wheat this fall on their newly purchased ground.

The Board of Asylum commissioners will hold their regular monthly meeting at the institution to-day.

BIG FEES

Will Be Paid Governor Goebel's Doctors.

Dr. J. N. McCormack, of Bowling Green, who was at the bedside of Gov. William Goebel from the time he was shot to the hour of his death, will receive a fee of \$10,000 for his medical services. The money is to be paid by Mr. Arthur Goebel from the estate of the dead Governor. The other physicians who attended Mr. Goebel are also to get handsome fees, and it is understood from a reliable source that about \$20,000 in all will be paid to the doctors. Those who attended Mr. Goebel, besides Dr. McCormack, were Drs. Hume and Ely, of Frankfort; Dr. T. R. Welsh, of Nicholasville, and Dr. J. M. Barrow, of Lexington. All of the physicians, including Dr. McCormack, refused to accept any pay for their services, but the Goebel brothers do not propose that they shall go unrewarded for their trouble.

SUNDAY HORROR.

Excursion Train Wrecked and Many Killed and Injured.

Allentown, Pa., Sept. 2.—The worst railroad horror known in this vicinity occurred at Hatfield, Montgomery county, on the North Pennsylvania branch of the Philadelphia & Reading railroad at 7 o'clock this morning, when an excursion train with between 700 and 800 people on board, crashed into the rear end of a milk train which was standing at the station. Nine people were killed outright and five others died soon afterward from their injuries. The list of wounded numbers twenty-five or thirty well-known citizens, principally of this city and of South Bethlehem. Several of the injured cannot recover.

Frankfort, Ky., Aug. 30.—South Trimble, the regular Democratic nominee for congress in this district, has been notified that W. B. Moody, of Henry county, who claims the nomination, applied to the county clerk of Bourbon county to put his name under the rooster on the official ballot. Moody presented a certificate of Walter Bronston, chairman of the Paris convention. The Bourbon clerk refused, and the matter will go into the courts at once.

CHILDREN MARRIED.

Girl of 12 And Boy of 17 Married in Nicholasville.

Emly Wright King, aged 12, and Robert Letcher Birum, aged 17, both living in Jessamine county, were married by Judge Phillips. The parents of both children were present and approved of the ceremony, but on their way home the mother of the girl objected to the children riding in the same vehicle. The father of the boy opposed the mother's objections and hot words followed which led to blows. The old man started for the police, but the woman withdrew her objections and the procession moved on.

ONE THIRD

Of Suits Filed For Fall Term For Divorce.

The Fall term of Circuit Court convenes here the fourth Monday in this month for a session of six weeks. Up to the present time only about fifty new suits have been filed. Of this number 33 1/2 per cent. are for divorce. As three weeks remain in which to file suits for the term, however, it is likely that the usual full docket will be made up.

To Dam Pond River.

Sebree, Ky., Aug. 1.—After considerable hard work, a number of business men and others have succeeded in raising by subscription enough money to build locks and dams on Pond river along its course through the counties of Hopkins and McLean. This will enable them to run small boats on the river to the point where it empties into Green river, and connect with the Green river packets that run between Evansville and Bowling Green. The work is to be begun at once.

CORBETT WON.

Knocks McCoy Out in the Fifth Round.

Gets in a Solar Plexus Punch and Wins Eighteen Thousand Dollars.

New York, Aug. 31.—The long-promised and long-looked-for meeting between James J. Corbett and Charles ("Kid") McCoy, under the auspices of the Twentieth Century club at Madison Square Garden, is over, and in less than five rounds Corbett proved himself to be the better man. That Corbett and McCoy are the cleverest exponents of the art of self-defense among the present generation of heavy weights goes without saying. And keen judges of the game who saw tonight's fight declare that it was the cleverest exhibition ever witnessed in the ring. Up to the moment that the men stepped into the squared circle opinions as to their respective ability were widely divergent. Many claimed and rightly too, that Corbett would prove to be the stronger as well as the cleverer and it was thought his superb feinting and heavy struggling that he put McCoy down and out. McCoy's friends all along have claimed that he was equally as dextrous with his hands, eyes and feet as the former champion, and in addition to this they said that the Kid could hit harder than Corbett. All who have met McCoy acknowledge that his blows are powerful ones and that they sting and cut wherever landed. Last night, however, while McCoy landed some very stinging jobs, he did not cut Corbett's skin, nor did he land a heavy right hand blow during the contest. On the other hand Corbett, when he dropped science and began to slug, landed hard rights and lefts, which simply took McCoy's guard away, and when Corbett found a vulnerable spot in the region of McCoy's heart, two lefts divided by a right ended the battle.

A moonlight social was given by Mrs. C. H. Hill, West Nineteenth street, Saturday night, complimentary to Master Lewis Hooper and little Miss Bessie Hooper, children of Mrs. D. V. The vote taken in Sebree Thursday on the liquor question, resulted in a victory for prohibition by a majority of seventy-one. The total vote cast in two precincts was two hundred and forty-three.

Murphy's Masquerade.

Written to make people laugh, will appear at Holland's Opera House on Wednesday, Sept. 5, introducing such clever and well-known people as Russell and Owens, those world famous Irish comedians as Dennis Murphy and Michael Mulligan. Mulligan (Owens), who is 5 feet, 10 1/2 inches tall, has some very funny scenes with Murphy (Russell), who is 4 feet, 6 inches tall. Owens is a very good foil for Russell, and their comedy scenes keep the audience screaming with laughter. There are some twenty other very clever farce comedy people in the cast.

What Yerkes Will Do.

Col. Yerkes has not answered our questions, but Judge Nick Vaughan, of Louisville, doubtless acting as his spokesman, has for him. In a speech the other night, he said, "Yerkes will do his duty and pardon every man convicted by the democrats." This assurance, which was hardly needed, should make democrats work the harder to down the smooth citizen of Boyle. Interior Journal.

Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

The Royal is made from the most highly refined and wholesome ingredients, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is cheaper at its price than any similar article.

Samples of mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food, and in many cities their sale is prohibited by law. Alum is a corrosive poison, and all physicians condemn baking powders containing it.

WEALTHY WOMAN.

Mrs. Hannah Moayon Dies Suddenly of Heart Failure.

Mrs. Hannah Moayon, widow of the late John Moayon, died very suddenly yesterday morning at 2:30 o'clock, at her home in this city.

She was up as usual the evening before, but went to bed early complaining of not feeling well. About one o'clock she woke up the members of the family and was found to be very ill with heart trouble. This was soon succeeded by a smothering spell and she died in spite of all that could be done to save her life. Mrs. Moayon had been a sufferer from heart trouble for a year or more.

Her maiden name was Hannah Kahn, and she was born in Gennsheim, Germany, 60 years ago. She was married to the late John Moayon, the wealthy merchant who died a year or two ago, about 33 years ago and of this union two children survive, Mrs. Moses L. Elb and Max J. Moayon.

It was to her that her husband owed much of his success in life. She was a woman of sound judgment and wise counsel. She was her husband's helper and adviser in business matters and he relied upon her assistance in making and saving the fortune he left and when he died he left all his property to her and the estate has never been divided.

The funeral services will be held at the family residence on Ninth street at 3 o'clock this afternoon, Rabbi Klein, of Evansville, officiating. The interment will take place in the Jewish Cemetery in this city, by the side of her husband.

HOG CHOLERA.

Destroying The Hogs Around Casky Station.

Hog cholera is raging in the vicinity of Casky and some of the farmers are losing heavily. Mr. J. T. Garnett has lost nearly 70 head and Mr. Winston Henry has lost eight or ten of his best fattening hogs within the last few days. If any one knows of a remedy for this dread disease the KENTUCKIAN would be glad to publish it for the benefit of the farmers.

CROP OF 1868.

M. B. King's Sample Of Old Virginia Weed.

Mr. M. B. King has in his possession a well preserved twist of tobacco raised in Virginia in 1868. That was the last year he lived in Virginia and he made several twists of tobacco that were left behind when he moved to Kentucky. One of his young lady cousins took several of them and put them in her trunk to take care of them for her absent relative. The years past and the tobacco was forgotten, but it was still preserved for 32 years. Mr. King has frequently visited his old home, but it happened that the tobacco was never thought of, but last month while visiting at the home of his cousin, something occurred to remind her of the tobacco and she brought out one of the twists and gave it to him and he brought it back home with him.

The tobacco is seemingly in a perfect state of preservation. Mr. King is now a prosperous farmer and stock raiser of Church Hill, in this county.

JUDGE TIPTON ALIVE,

But the Physicians Have Little Hope of His Recovery—Woods Gives Bond.

Richmond, Ky., Sept. 2.—Judge French Tipton, who was shot last night by Clarence E. Woods, is still alive, but little hopes are entertained for his recovery. Not satisfied with the first hasty examination, the physicians last night made an incision, which showed that the bullet had penetrated the bowels, making no less than sixteen perforations.

Woods gave bond in ten minutes after the shooting, a number of the wealthiest citizens here volunteering to go on his bond. The date of the examining trial has not been fixed.

Condition Improved.

The condition of Mr. W. F. Morris, of Pembroke, whose lower limbs were paralyzed last week, is much improved and he will be able to be out in a few days.

FATAL FESTIVAL.

Same Old Story, This Time From Fairview.

Jim Burrus Shoots And Instantly Kills Otis Lacy, Both Colored.

A colored festival was held at a cabin on the farm of Mr. Wm. Tandy near Fairview, Saturday night, with the usual result, a killing.

Jim Burrus shot and instantly killed Otis Lacy.

Burrus went with a girl to the festival and Lacy began to tease him about the girl, telling him he should not go home with the girl. Burrus was talking back in a half-joking manner and Lacy drew an old pistol, it is claimed in a playful manner. Burrus also pulled a pistol and Lacy fell dead with a bullet in his heart. Burrus claims that the weapon went off accidentally, that he was "projecting" with the weapon and did not intend to shoot Lacy. He made no attempt to escape.

The coroner went out Sunday and held an inquest and placed Burrus under arrest. He returned to town with the coroner and was lodged in jail Sunday afternoon. The date of the examining trial has not yet been set.

Both negroes were farm hands in the neighborhood.

SHOOTING AFFRAY.

Albert Grace Peppers Robt. Latham With Squirrel Shot.

Conflicting reports of a killing in the Pilot Rock neighborhood, when sifted down yesterday, turned out to be unfounded, except as to a shooting affray in which one man was slightly wounded with small shot.

The parties to the difficulty were Albert Grace and Robert Latham, who live about one mile from the postoffice of Oval, near Pilot Rock.

A few days before Latham went to Jim Gid Edwards, and wanted to borrow a horse, and Miss Bettie Edwards, who was the only member of the family at home, refused to lend the horse. Mr. Edwards had been disabled at the house of a neighbor for two months, from an accident. Latham became enraged at the refusal and on Friday afternoon returned to Edwards and began to abuse Miss Edwards and threatened to kick her out of the house.

Albert Grace, her brother-in-law, was present and took up the difficulty and a fight ensued. Latham picked up an empty pistol from the mantel and attempted to strike Grace, but was prevented, and finally left the house saying he would get his gun and settle the matter.

He lived close by and soon returned with a double-barrel shotgun. Grace in the meantime had loaded up a similar weapon with squirrel shot and was in the yard when Latham returned. The men shot twice at each other. Grace was struck, but the shot were too small to penetrate his clothes. Latham was hit with six shots, one in the forehead, one under each eye, one in the breast and two in the stomach. The wounds were slight and Latham was not disabled by them. He was up and about as usual yesterday and it is said further trouble is almost sure to result, as both men are nervy and live close together. Latham especially is said to have quite a reputation as a fighter.

WILL REBUILD.

Work to Begin as Soon as Arrangements Made.

The members of Bethel Baptist church will rebuild their church that was burned on the evening of the 23rd, at Fairview, says The Review. The work will be begun just as soon as all arrangements can be completed, which will be done in the next month. It seems to be the wish of the membership to duplicate the one that was burned in every respect.
